

# PUMP SYSTEM RETROFIT

Improve performance and capacity.

Buckeye Pumps retrofit service is a cost effective solution for improving the performance and capacity of older municipal and industrial waste and potable water systems. Retrofit services include:

- Demolition and disposal
- Electrical and controls
- Piping and concrete
- The latest pumps and systems

Buckeye Pumps has a 15,000 sq. ft. repair service center in Galion, OH, and application engineers throughout Ohio, Indiana and Kentucky. Contact one of our application engineers or service technicians in your area.
